SIMULATION NATIONAL LEADERSHIP CONFERENCE

September 14-16, 2010

Place: New Orleans Marriott Hotel
555 Canal Street
New Orleans, LA 70130
504-581-1000
www.neworleansmarriott.com

Purpose: The purpose of this knowledge-based conference is to orient VHA Leadership about the vision and strategy to address simulation training, education, and research needs; the evidence supporting the use of clinical simulation; the various modalities of clinical simulation; simulation educational processes and current technologies; and finally, their personal role in facilitating the VHA simulation strategic plan.

**Outcome
Objectives:**

- At the conclusion of this program, participants will be able to:
- 1) Restate the evidence supporting the use of clinical simulation for training and education;
 - 2) Identify the various modalities used in simulation;
 - 3) Explain the important education principles in simulation;
 - 4) Describe best practices in addressing the common business issues in simulation;

- 5) List accreditation requirements and considerations for simulation;
- 6) Express the VHA strategic plan for simulation training, education, and research.

Target Audience:

The target audience for this program includes, but is not limited to, Medical Center Directors, Associate Directors, Nurse Executives, and Chiefs of Staff from clinical backgrounds, such as Physicians, Nurses, and Pharmacists, and non-clinical backgrounds as well as VISN SimLEARN Champions and Chief Medical Officers.

**Accreditation/
Approval:**

Accreditation Council for Continuing Medical Education (ACCME)

The VA Employee Education System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Accreditation Council for Pharmacy Education (ACPE)

The VA Employee Education System is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

American Nurses Credentialing Center (ANCC)

The VA Employee Education System is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

**Continuing
Education Credit:**

Accreditation Council for Continuing Medical Education (ACCME)

The VA Employee Education System designates this educational activity for a maximum of **18 AMA PRA Category 1 Credit(s)**TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Accreditation Council for Pharmacy Education (ACPE)

The VA Employee Education System is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education Program #0610-0000-10-031-L05-P. This program is accredited for **18** contact hours. The Employee Education System maintains responsibility for the program. A statement of credit will be awarded to participants and accreditation records will be on file at the Employee Education System. In order to receive continuing pharmacy education credit, participants must attend 100% of the program and complete an evaluation form. Statements of credit will be mailed to participants within six weeks of the educational activity's conclusion.

American Nurses Credentialing Center (ANCC)

VA Employee Education System designates this educational activity for **18** contact hours in continuing nursing education.

The Employee Education System maintains responsibility for the program. A certificate of attendance will be awarded for **18** hours to participants and accreditation records will be on file at the Employee Education System. In order to receive a certificate from EES, participants must sign in at the beginning of this activity, complete an evaluation, attend 100% of the program, and pick up their own certificate at the conclusion of the program (certificates will not be mailed). **EES cannot issue certificates for less than 100% participation as required by accrediting body regulations.**

Report of Training: It is the program participant's responsibility to ensure that this training is documented in the appropriate location according to his/her locally prescribed process.
